## Web Layout Design

A Web Page Design

The screenshot displays the homepage of the FreePik website. At the top, there's a blue header bar with the "FREEPIK" logo and navigation links for "Home", "Photos", "All Images", "Icons", "Video", "PSD", "3D", "Fonts", and "More". Below the header is a search bar with placeholder text "Search for assets" and a "Search" button. Underneath the search bar are five categories: "Vectors", "Photos", "Videos", "PSD", and "Textures". The main content area features a large grid of 12 black placeholder images arranged in three rows of four. To the right of the grid is a sidebar with the heading "The smartest choice for creatives like you". It lists four benefits: "High-quality stock content", "Ready-to-use assets", "Guaranteed search results", and "Fresh content every day". Next to this text is a graphic of four overlapping black squares. At the bottom of the page is a dark footer section with the "FREEPIK" logo and the tagline "Add joy to your designs with Disney and Pixar characters". The footer also contains links to "About", "Contact", "Information", "Legal", "Support", and "Social Media". A "Sign In" button is located in the bottom right corner of the footer.
